SUN

2000 × 1500 × 700 mm

2 reclining places, 1 sitting place

Sun is a 3 seated spa with 2 longer seats and one sitting place that also works as an inner step. On Easy4 topside control panel all settings and spa function icons available at a glance to set your spa in the blink of an eye, while the Plug&Play system allows easy power connection. It is spacious enough for 26 massage jets that give the pleasures of a spa, but it is small enough to fit into almost anywhere even into a shady balcony or somewhat spacious bathroom.
