

# The Future of Cover Lift Design

## *The NEW CoverMate Vanish XL*

The CoverMate Vanish XL provides smooth, fluid opening and closing, with a contemporary design that visually incorporates the lifter into the spa cabinet. Effortless operation and function with an integrated hydraulic shock system making the Vanish XL the future of spa cover lifts.

- + Low-profile design offers 360-degree open viewing
- + Easy, smooth operation to open and close
- + Simple and quick installation
